

# Proposal Review Sheet

Revised: 2023/08

---

Serial No.:

Principal Investigator (PI):

Institution:

Proposal Title:

---

## **Critiques:**

Please describe the strengths and weaknesses of the proposal and any other relevant comments according to the following criteria **in assigning your rating**.

- (1) The PI's academic achievement at an international level.
- (2) The novelty, originality, and significance of proposal.
- (3) The feasibility of proposal goals and objectives, and of publishing outcomes in top ranking international journals.
- (4) The budget requirement, for both project needs and time frame.
