Sustainable Interdisciplinary Research Project Annual Report - Review Process

◆ Criteria and Scoring Methodology for Evaluation

Evaluation Items	Allocation Ratio or Distribution Ratio
Initial Review (Review of Written Report)	50%
Second Review (Oral Presentation)	50%

◆ **Total Score: 50% Initial Review + 50% Second Review + 30% (Team Member Attendance Rate)**

◆ Task Schedule or Assignment Timeline

Guidelines for Submission and Assessment of Results

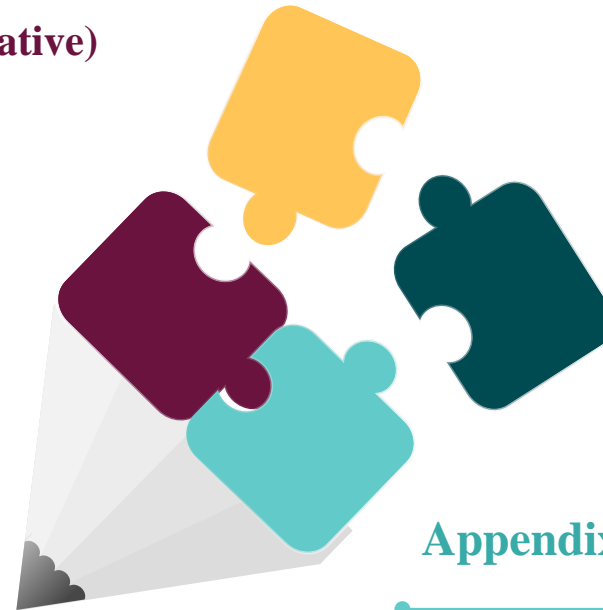

**Due date of report submission:
before November 15**

Form 1 - Basic Information

General Information of PIs & Co-PIs

Form 2 - Explanation of Research Outcome (Qualitative)

1. Abstract, Keywords (Chinese, English).
2. Research Outcomes.
3. Methods and management of Cross-disciplinary research.
4. Project milestones (achieved and pending), and other benefits derived from the research.

Form 3 - List of Project Achievements

Quantitative Statistics (including domestic / international academic publications, patents, industrial applications, international Collaborations, derived external projects, awards & honors).

Appendix (Optional)

Please provide any additional helpful information.

Please refer to the report template attached.

Guidelines of Qualitative Research Outcome

1. Abstract, Keywords (Chinese, English).
2. Research Outcomes (major breakthroughs and their relevance to key university developments).
3. Methods and management of Cross-disciplinary research.
4. Project milestones (achieved and pending): required to choose and provide detailed explanations for at least two performance metrics from the following list:
 - International Collaboration (e.g., research papers published in collaboration with leading universities or institutions worldwide).
 - Industrial Collaborations (e.g., tech transfer funds > 5 million).
 - Publication in Top-tier Journals (e.g., Journal Ranking < 5%) .
 - Participation in External Major Research Projects (e.g., project with funding > 10 million)
 - Application for External Research or Sustainable Awards (e.g., NSTC Outstanding Research Awards, various sustainability awards).

Form 3 - Summary of Research Outputs (Quantitative)

Project Accomplishments		Number	Unit
Domestic academic publications	Journal Paper		Article
	Conference Paper		Article
	Technical Report		Article
	Book		book
	Book Chapter		Chapter
	Others		
International academic publications. Kindly specify if it constitutes an international collaborative work.	Journal Ranking<5%		Article
	Other Journal Paper		Article
	Conference Paper		Article
	Technical Report		Article
	Book		book
	Book Chapter		Chapter
	Others		
Patent	Patent Application		Case
	Patent Awarded		Case
Industrial Application	Technical Transfer		Case
			NTD
	Industrial Cooperation		Case
			NTD
Other Industrial Application			

- Provide detailed item descriptions, including journal details (name, year, volume, issue), page numbers, registration number, acknowledgments to this grant (if any).
- Indicate if it is a collaborative work among the project members or an individual publication.
- Appendix: supporting documents included

Form 3 - Summary of Research Outputs (Quantitative)

Project Accomplishments		Number	Unit
International collaborative research project			Case
			Country/Unit
Derived external project e.g., >=10 million per year	Unit for Granting Project Funding and Project Title		Case
			NTD
Awards received in 2023	NSTC Outstanding Research Award		per person
	Other Significant Awards		
Sustainability- related awards received in 2023	National Sustainable Development Awards		
	Taiwan Corporate Sustainability Awards		
	Asia Pacific Sustainability Action Award		
	Global Corporate Sustainability Award		
	ESG Industrial Sustainability Award		
	Other		
Participants of 2023	Master Students		
	PhD Students		
	Postdoc		
	Full time staff		

Grant Opportunity from Phoenix Fund of the North American NCKU Alumni Foundation

- To encourage interdisciplinary research teams and cultivate outstanding researchers across generations, Phoenix Fund of the North American NCKU Alumni Foundation to jointly establish an interdisciplinary research grant.
- Application Qualification: Teams awarded with subsidies from NCKU Sustainable Interdisciplinary Integrated Project.
- Team Award Amount :

Outstanding Award - USD\$10,000 (3 teams) Excellence Award - USD\$5,000 (6 teams)

Application and Review Process

- Upon Receipt of Award:
 1. Within two years of receiving the award, the team is expected to collaboratively publish a paper under the auspices of NCKU in top ranked journals (5%).
 2. If the awarded team does not achieve significant journal paper publications or acceptances within two years, they will not be considered for the subsequent award grant review.

Event Itinerary (proposed)

Event Location: Kenting Yoho Resort

國立成功大學研究發展處

Office of Research and Development
National Cheng Kung University

Event Itinerary (proposed)

12/15 (Fri.)					
12:00 - 12:30	Gathering time				
12:30 - 15:30	Traveling time to Ken-ting (lunch box provided)				
15:30 - 16:00	Free time				
16:30 - 17:50	Opening ceremony 、 Keynote Speech 1				
18:00 - 19:00	Banquet				
19:30-20:45	Oral Presentation I (25 Presentations in 5 Parallel Sessions)				
	A group	B group	C group	D group	E group
20:45-21:00	Coffee Break				
21:00-22:00	Oral Presentation II (14 Presentations in 5 Parallel Sessions)				
	A group	B group	C group	D group	E group

12/16 (Sat.)					
06:30 - 07:50	Breakfast				
08:00 - 09:30	Oral Presentation III (26 Presentations in 5 Parallel Sessions)				
	A group	B group	C group	D group(E group
09:30 - 09:45	Coffee Break				
09:45 - 11:00	Oral Presentation IV (21 Presentations in 5 Parallel Sessions)				
	A group	B group	C group	D group	E group
11:00-11:15	Break				
11:15-12:00	Keynote Speech 2				
12:00 - 13:00	Luncheon + Review Meeting				
After 13:00	Departure to Tainan				

Guidelines for the Results Report

- For team members who opt to drive independently, kindly ensure your arrival before 4:00 PM.
- The presentation will be conducted orally, and can be presented in either Chinese or English.
- Each team will nominate one individual for the oral presentation from the PI or Co-PIs.
- Each group's presentation is allocated **15 minutes** in total, comprising a 10-minute presentation and a 5-minute Q&A session. Principal Investigators (PIs) and Co-PIs from each team are expected to participate in the entire event.
