主旨：有關工業技術研究院轉知英國在台辦事處宣布「台英創新產業研究人員移地研究計畫 2024 UK-TW Innovative Industries Programme (I2P)」相關事宜。

說明：

- 一、英國在台辦事處為加強台英雙方之產業、大學與研究中心的研發交流，特成立計畫辦公室並宣布「台英創新產業研究人員移地研究計畫」赴英國大學院校、公立研究機構、创新中心、研究法人或民間企業進行短期研究，或邀請英國大學院校、公立研究機構、创新中心、研究法人或民間企業至台灣進行短期研究，可為雙向交流計畫。
- 二、旨揭計畫重點如下：
  - (一)主要領域: Smart Technologies (智慧科技)、Green Energy Technologies (綠色科技)、Smart Manufacturing (智慧製造)、Biotechnologies (生物科技)、Service Innovation (創新服務)等。
  - (二)補助期間: 二至六週，移地研究期間為2025年1月1日至2025年2月28日。
  - (三)補助額度: 計畫辦公室補助50%，申請機構自籌50%。

- (四)申請時間: 自即日起至2024年11月15 日止。
- (五)申請網址: <https://reurl.cc/Vz1GrA> (台灣方申請連結) ,

# 2024 UK-TW Innovative Industries Programme

## Executive Guideline

### (for Taiwan Researcher Visiting the UK)

The “UK-TW Innovative Industries Programme (I<sup>2</sup>P)” is sponsored by the British Office Taipei and aims to strengthen the bilateral Science and Technology collaboration between the UK and Taiwan. This scheme funds researchers from both sides to conduct short-term (**2 weeks to 6 weeks**) R&D activities during the replacement.

The five priority sectors funded by this scheme include but are not limited to:

- 1. Smart Technologies** (ex. next generation communication, semiconductor technology and space technology)
- 2. Green Energy Technologies** (ex. electric vehicles, hydrogen transportation, renewable energy, future grids and carbon capture utilisation and storage)
- 3. Smart Manufacturing**
- 4. Biotechnologies** (ex. medical materials and devices)
- 5. Service Innovation** (ex. Internet of Things, Big Data, Artificial Intelligence, 5G and 6G)

### Application Timeline

	Open Period	Announcement Date
1 <sup>st</sup> call	June 1 <sup>st</sup> to July 15 <sup>th</sup> (12 PM)	August 15 <sup>th</sup> , 2024
2 <sup>nd</sup> call	August 1 <sup>st</sup> to September 30 <sup>th</sup> (12 PM)	October 31 <sup>st</sup> , 2024
3 <sup>rd</sup> call	October 28 <sup>th</sup> to November 15 <sup>th</sup> (12 PM)	December 16 <sup>th</sup> , 2024
The official information of the calls will be posted on the Facebook page of the British Office Taipei ( <a href="http://www.facebook.com/britishofficetaipei">www.facebook.com/britishofficetaipei</a> ).		

### Placement Fund

The Programme Office will cover 50% of the expenses during the placement period and the other 50% should be provided by the Sending Entity. The maximum subsidy per person is up to **T\$1 million**.

### Eligibility of the Applicants

An incumbent and full-time employee who is conducting research and development at a Taiwan-registered Entity.

### Eligibility of the Entities

- A. Research and technology organisations (RTOs)
- B. Companies
- C. Universities and academic institutions

Please note: In-company replacements are not eligible for this programme.

**中英對照:**

1. 移地計畫人員: Researcher; 2. 申請單位: Sending Entity;
3. UK訓練單位: UK Hosting Entity; 4. 計畫辦公室: Programme Office

**1. Application Documents**

Candidates must submit the following documents in English:

*(Applications should be submitted per individual)*

- A. Research Plan (see Attachment 1)
- B. Placement Budget Form (see Attachment 2)
- C. Original copy of Agreement of Sending Entity (see Attachment 3)
- D. Letter of Agreement from the UK Hosting Entity (see Attachment 4)

**\*\*All applicants are required to fill in the form and upload Attachments 1-4 via <https://reurl.cc/Vz1GrA> before the deadline.\*\***

**\*\*Applicants to the 2024 TW-UK CRD must ensure that the research topic for the I2P application must be distinguishable from the 2024 TW-UK CRD topic.\*\***

**2. Review Criteria**

The review criteria will be based on the applicants' academic performance and capability, research topics and execution feasibility, and the suitability of the UK Hosting Entity. The Programme Office will invite experts and scholars from related fields to review the applications.

- A. The review criteria and weighting are as follows:
  - i. 20% - The applicant's professional background, outstanding achievements, potential, experiences of attending international activities and the ability of project execution.
  - ii. 10% - The academic suitability in the respective field of the applicant's Sending Entity and the UK Hosting Entity.
  - iii. 35% - Completeness and feasibility of the research plan (including topic, structure, contents, concepts and methodologies, analysis, etc.)
  - iv. 35% - Technical complementarity and potential contribution to the bilateral UK-TW collaboration in the respective field.
- B. The results for the 3<sup>rd</sup> call will be announced by December 16<sup>th</sup>, 2024 and posted on the Facebook page of the British Office Taipei. The qualified applicants will also be informed individually by email.

**3. Execution (Before departure)**

After the approval of the proposal and sponsorship, the qualified researchers and their Sending Entities are required to submit the following documents:

- A. The Contract: beginning from the date of the approval announcement, the Sending Entity is required to sign a contract with the Programme Office (template to be provided by the

Programme Office) and to complete the necessary formalities by January 3<sup>rd</sup>, 2025. Any delay will be considered as the withdrawal of the sponsorship.

- B. Researchers' Itinerary: Researchers must report the departure date and email a copy of their e-tickets to the Programme Office before the date of departure. All placement researchers must finish their research and return to Taiwan no later than February 28<sup>th</sup>, 2025.

#### 4. Execution (During placement)

The sponsored researchers must provide the following documents:

- A. The Receipts: the reimbursement is based on the expenditure incurred during the approved research period, which begins from the departure date and ends on the arrival date to Taiwan (based on the dates shown on the e-ticket). Researchers are responsible for keeping all receipts of expenditures that meet the requirement of sponsorship and should provide them to the Sending Entity.
- B. The Midterm Report: the researchers with a placement period longer than one month are required to submit an electronic midterm report to the Programme Office at the halfway point of the placement period (see Attachment 5).

#### 5. Execution (Placement completed)

The sponsored researchers must provide the following documents to the Programme Office within **1 month** after the placement is completed:

- A. The Final Report: all sponsored researchers are required to submit an electronic final report after the placement has been completed (see Attachment 6).
- B. The Evaluation of the Placement: this evaluation should be filled in by the UK Hosting Entity (see Attachment 7).

#### 6. Important rules and obligations

- A. Changes to the research topic, duration, placement budget, early completion, or early termination will require the approval from the British Office Taipei, the Programme Office and the Sending Entity.
- B. The research achievements made by the sponsored research project is required to acknowledge the support from the **“Department for Science, Innovation & Technology (DSIT) and the UK-TW Innovative Industries Programme”** whenever the related research results are published in international conferences, academic journals, and other public mediums.
- C. If any of the following conditions occur, the sponsorship will be cancelled, and the researcher must return the sponsorship payments obtained from the reimbursement:
- i. The proposed documents (including relevant certificates) are forged or not in compliance with the requirements.
  - ii. The researcher makes changes on the research topic, duration, placement budget, the hosting institution, early completion, or early termination without the approval of the British Office Taipei, the Programme Office, and the Sending Entity.

- iii. Anyone who violates the law and is indicated and convicted of crimes, sentenced to be in prison by Taiwan or foreign judiciaries, or deported back to Taiwan.
  - iv. Violation of the laws of the United Kingdom and Taiwan, or behavior and statements by the researcher which damage the benefits of the United Kingdom and Taiwan during the period of the sponsored placement.
- D. The sponsored researcher must take full responsibility of the obligations involved with other institutions during the sponsored placement period (such as military or other service obligations).
- E. The rights and obligations that the sponsored researcher should comply must be supervised by the Sending Entity during the application process and the placement period. Other principles not stated in the guidelines can be regulated by the Sending Entity. Whenever the sponsored researcher violates these regulations, the Sending Entity has the responsibility of withdrawing and returning the funding to the Programme Office.

## 7. The “UK-TW Innovative Industries Programme (I<sup>2</sup>P)” event

All sponsored Taiwan researchers will be expected to attend the I<sup>2</sup>P celebration event, which will be hosted by the British Office Taipei in March, 2025. Selected sponsored Taiwan researchers will be requested to give a presentation at the event.

## 8. Contact information of the Programme Office:

- Email address: **UKTWI2P@itri.org.tw**
- Office phone number and contact person:  
Leah Shieh (03-5915817), Sean Lin (03-5913596), and Erika Ho (03-5917490)

3 <sup>rd</sup> call	October 28 <sup>th</sup> to November 15 <sup>th</sup> (12 PM)	December 16 <sup>th</sup> , 2024
The official information of the calls will be posted on the Facebook page of the British Office Taipei ( <a href="http://www.facebook.com/britishofficetaipei">www.facebook.com/britishofficetaipei</a> ).		

## Placement Fund

The Programme Office will cover 50% of the expenses during the placement period and the other 50% should be provided by the UK Sending Entity. The maximum subsidy per person is £24,800.

## Eligibility of the Applicants

An incumbent and full-time employee who is conducting research and development at a UK-registered Entity.

## Eligibility of the Entities

- A. Research and technology organisations (RTOs)
- B. Companies
- C. Universities and academic institutions

Please note: In-company replacements are not eligible for this programme.

## 1. Application Documents

Candidates must submit the following documents:

*(Applications should be submitted per individual)*

- A. Research Plan (see Attachment 1)
- B. Placement Budget Form (see Attachment 2)

The Taiwan Hosting Entity will receive the sponsorship from the Programme Office and will be responsible for processing the reimbursement of expenses. Therefore, UK applicants **ARE REQUIRED TO** consult and discuss with their Taiwan Hosting Entities regarding the estimate of expenses in Taiwan.

- C. Original copy of Agreement of the UK Sending Entity (see Attachment 3)
- D. Letter of Agreement from the Taiwan Hosting Entity (see Attachment 4)

**\*\*All applicants are required to fill in the form and upload Attachments 1-4 via <https://reurl.cc/qVZzIR> before the deadline.\*\***

**\*\*Applicants to the 2024 TW-UK CRD must ensure that the research topic for the I2P application must be distinguishable from the 2024 TW-UK CRD topic.\*\***

## 2. Review Criteria

The review criteria will be based on the applicants' academic performance and capability, research topics and execution feasibility, and the suitability of the Taiwan Hosting Entity. The Programme Office will invite experts and scholars from related fields to review the applications.

- A. The review criteria and weighting are as follows:
  - i. **20%** - The applicant's professional background, outstanding achievements, potential, experiences of attending international activities and the ability of project execution.
  - ii. **10%** - The academic suitability in the respective field of the applicant's UK Sending Entity and the Taiwan Hosting Entity.
  - iii. **35%** - Completeness and feasibility of the research plan (including topic, structure, contents, concepts and methodologies, analysis, etc.)
  - iv. **35%** - Technical complementarity and potential contribution to the bilateral UK-TW collaboration in the respective field.

- B. The results for the 3<sup>rd</sup> call will be announced by December 16<sup>th</sup>, 2024 and posted on the Facebook page of the British Office Taipei. The qualified applicants will also be informed individually by email.

## 3. Execution (Before departure)

After the approval of the proposal and sponsorship, the qualified researchers and their Taiwan Hosting Entities are required to submit the following documents:

- A. The Contract: beginning from the date<sub>2</sub> of the approval announcement, the Taiwan

Hosting Entity is required to sign a contract with the Programme Office (template to be provided by the Programme Office) and to complete the necessary formalities by January 3<sup>rd</sup>, 2025. Any delay will be considered as the withdrawal of the sponsorship.

- B. Researchers' Itinerary: Researchers must report the departure date and email a copy of their e-tickets to the Programme Office before the date of departure. All placement researchers must finish their research and return to the UK no later than February 28<sup>th</sup>, 2025.

#### 4. Execution (During placement)

The sponsored researchers must provide the following documents:

- A. The Receipts: the reimbursement will be processed by the Taiwan Hosting Entity and is based on the expenditure incurred during the approved research period, which begins from the departure date and ends on the arrival date to the UK (based on the dates shown on the e-ticket). Researchers are responsible for keeping all receipts of expenditures that meet the requirement of sponsorship and should provide them to the Taiwan Hosting Entity.
- B. The Midterm Report: the researchers with a placement period longer than one month are required to submit an electronic midterm report to the Programme Office at the halfway point of the placement period (see Attachment 5).

#### 5. Execution (Placement completed)

The sponsored researchers must provide the following documents to the Programme Office within **1 month** after the placement is completed:

- A. The Final Report: all sponsored researchers are required to submit an electronic final report after the placement has been completed (see Attachment 6).
- B. The Evaluation of the Placement: this evaluation should be filled in by the UK Sending Entity and Taiwan Hosting Entity (see Attachments 7 & 8).

#### 6. Important rules and obligations

- A. Changes to the research topic, duration, placement budget, early completion, or early termination will require the approval from the British Office Taipei, the Programme Office, and the Sending Entity.
- B. The research achievements made by the sponsored research project are required to acknowledge the support from the **“Department for Science, Innovation & Technology (DSIT) and the UK-TW Innovative Industries Programme”** whenever the related research results are published in international conferences, academic journals, and other public mediums.
- C. If any of the following conditions occur, the sponsorship will be cancelled, and the researcher must return the sponsorship payments obtained from the reimbursement:
- The proposed documents (including relevant certificates) are forged or not in compliance with the requirements.
  - The researcher makes changes on the research topic, duration, placement budget, the hosting institution, early completion, or early termination without the

approval of the British Office Taipei, the Programme Office, and the Sending Entity.

- iii. Anyone who violates the law and is indicated and convicted of crimes, sentenced to be in prison by the UK or foreign judiciaries, or deported back to the UK.
- iv. Violation of the laws of the United Kingdom and Taiwan, or behavior and statements by the researcher which damage the benefits of the United Kingdom and Taiwan during the period of the sponsored placement.

D. The sponsored researcher must take full responsibility of the obligations involved with other institutions during the sponsored placement period (such as military or other service obligations).

E. The rights and obligations that the sponsored researcher should comply must be supervised by the UK Sending Entity and Taiwan Hosting Entity during the application process and the placement period. Other principles not stated in the guidelines can be regulated by the UK Sending Entity and Taiwan Hosting Entity. Whenever the sponsored researcher violates these regulations, the Taiwan Hosting Entity has the responsibility of withdrawing and returning the funding to the Programme Office.

## 7. The “UK- TW Innovative Industries Programme (I<sup>2</sup>P)” event

All sponsored UK researchers will be expected to attend the I<sup>2</sup>P celebration event online, which will be hosted by the British Office Taipei in March, 2025. Selected sponsored UK researchers will be requested to give a presentation at the event.
